American Heart Association (AHA)
Basic Life Support Provider Course (BLS-P)

Organized by
Resuscitation Training Centre, Caritas Medical Centre (CMCRTC)

The **Caritas Medical Centre Resuscitation Training Centre (CMCRTC)** is the first Training Centre of the American Heart Association (AHA) in Hong Kong. In collaboration with the Hong Kong AHA International Training Organization, our centre has been providing accredited Emergency Cardiovascular Care (ECC) training - including BLS, ACLS, and PALS training - since August 2000.

Based on the 2025 American Heart Association (AHA) Guidelines for CPR and Emergency Cardiovascular Care (ECC), the **Basic Life Support Provider Course** trains participants to promptly recognize several life-threatening emergencies, deliver high-quality chest compressions, provide appropriate breaths and ventilations, and early use of an Automated External Defibrillator (AED).

Successful completion of BLS training, according to the American Heart Association standards, requires candidates to achieve the following:

1. Complete the eLearning Cognitive Portion and obtain the completion certificate
2. Participate the hands-on session demonstrating high-quality CPR skills
3. Pass the Adult CPR and AED Skills Test
4. Pass the Infant CPR Skills Test

Completion of the 'HeartCode® BLS Online Portion' is mandatory before participating in hands-on skills practice and testing. Upon successful course completion, participants will receive an **AHA BLS Completion eCard**.

Resuscitation Training Centre
Caritas Medical Centre

16/F., Wai Oi Block, 111 Wing Hong Street, Shamshuipo, Kowloon, H.K.
Telephone: (852) 3408 6325 Fax: (852) 2785 9535
